

Agribusiness Analyst

THE
ANDERSONS
CENTRE

This notice is for you if you are analytical, logical and methodical, and keen to help strengthen the agribusiness industry

JOB OVERVIEW

- ✓ There are more aspects to agriculture and agribusiness that need to be understood than we can handle. We need you to fill this newly created role.
- ✓ You will be part of one of the UK's most well-known and highly respected agribusiness research organisations.
- ✓ You will have projects to undertake, data to interpret, presentations to make and studies to author.
- ✓ You will develop your own client base with all the support you need. Always.

ABOUT YOU

- ✓ You have an ambition to make a real difference to those people who you work with throughout the food and farming industry. You have the grit required to see tasks to completion.
- ✓ Knowing which tasks to prioritise is a strength of yours. Your high level of Word and Excel expertise demonstrates your impressive numeracy, logic and English (spoken and written) skills.
- ✓ You can spot commercial opportunities and run with them.

BENEFITS

- ✓ There is a good salary for you, according to what you can offer. It comes with an annual bonus, pension and holidays.
- ✓ Endless space for personal and financial growth; there is no upper limit to what can be achieved here.
- ✓ Room to grow the business in areas that interest you resulting in greater career fulfillment.

COMPANY DESCRIPTION

- ✓ We facilitate informed decision making in agribusiness through reliable information provision.
- ✓ We provide advice and steer farmers and businesspeople through agribusiness conundrums.
